

Liss in 3 Words

Find the Secret Location

Use the What 3 Words App to collect the clues around Liss that so you can find the secret location.

You will need a phone with the What 3 Words app

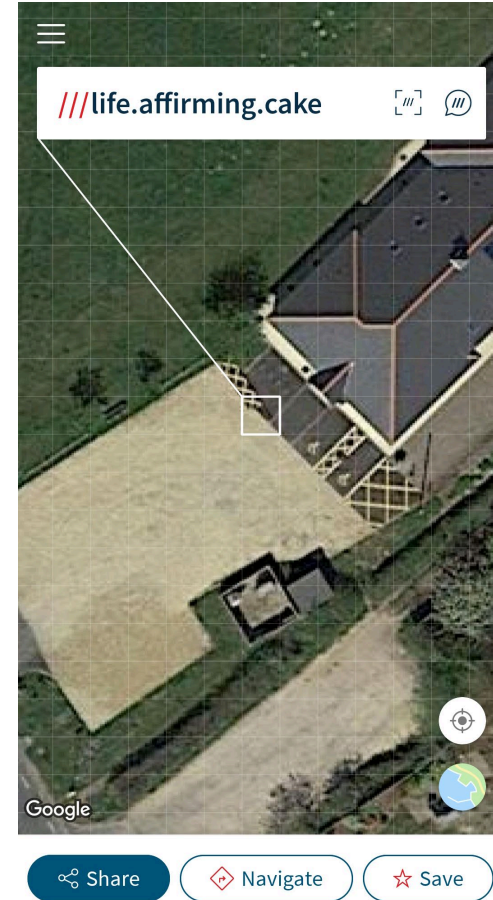

Scan the QR code to get to the App

Did you know, What 3 Words can be used for telling the emergency services where you are if you need help

When you find the secret location please don't post where it is on social media as it might spoil the adventure for others

Liss in 3 Words

Explainer

The route around the village is via footpaths or roadway. Please take care crossing roads and railways. The route takes approx 2 hours.

The mission is to find the answer to a question revealed on a later slide

The following clues will give you three words. You can use the navigate icon in W3W app to use google maps to help you find the locations.

Once you have found the three words, put these into the W3W app and go to that location.

We will post the solution on our website on 19 April 2021

Take a painted stone with you . This will be required at the pitstop

This is a fun activity that you are taking part in at your own risk. 1st Liss Scout Group accept no responsibility for loss or injury.
